Subject and Evaluator Upload Template

- i **Subjects** are the people being rated. Also referred to as Participants or Ratees
- i **Evaluators** are the people rating the Subjects. Also referred to as Raters.

Instructions:

- If possible, aim to have a balance between rater groups excluding the manager.
- Each Subject should ideally have 10-14 Evaluators.
- Scores from Self Rating and Manager Ratings, where applicable, are always shown if a response is given. However, to protect anonymity, scores from other rater groups are only shown when there are two or more responses. If there are less than two responses, this group will be made anonymous and N/A will be shown.
- Please ensure that Subjects and Evaluators have been notified and are expecting to receive an email from support@hogan360degree.com.
